

22 Cedarvale St.

Gladstone 4680
9th Feb. 2005

Dear Mrs. L. Cunningham
Independent member for Port Curtis
Gladstone.

Dear Madam

I am writing to object to
the outlandish water rates that the Qld
Competition and/or city is going to charge
all residents a land owners of Mt. Larcom.

As a former resident of Mt. Larcom
I am appalled at the cost and it will be
the job of the Town as nobody will be able
to afford these charges.

Instead of closing the Bowling Club
the Show Ground & racetrack will be the end
of Mt. Larcom yearly show - with the
fall in residents to the school will have to
close with lack of public attendances

Is this what the Government wants
The district residents of Int. 1000
need help and more. The residents
wouldn't be able to sell their properties
as nobody could afford the water
charges and they would be homeless,
who ever has done this needs
to think clearly.

Yours faithfully,
C. Spang
