Dear Dr Roberts *Malcolm*

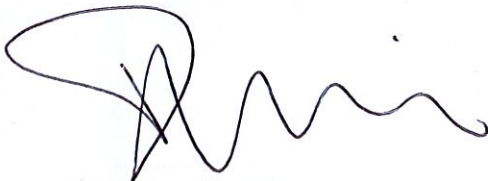

Response to QCA draft report: Seqwater bulk water prices financial years 2016 to 2018

The Queensland Competition Authority released their draft report for the SEQ bulk water price path 2015-18 in November 2014. The Seqwater Board have considered the draft report and our response at its January 2015 Board meeting. Seqwater submits the attached report for QCA consideration in determining bulk water prices to apply from 1 July 2015 to 30 June 2018.

Please feel free to contact me if required regarding our submission.

We are committed to working with QCA to ensure water customers in South East Queensland have access to a reliable and affordable bulk water supply.

Yours sincerely

Peter Dennis
Chief Executive Officer
