Dear Dr Roberts

QRC submission on QCA Draft Decision of 31 January 2015 on Aurizon Network's 2014 Draft Access Undertaking

The Queensland Resources Council (**QRC**) provides this submission on behalf of its coal members in response to the QCA Draft Decision released 31 January 2015 on Aurizon Network's 2014 Draft Access Undertaking (**QCA Draft Decision**).

The Queensland Resources Council (QRC) is the peak representative body of the Queensland minerals and energy sector. The QRC's membership encompasses minerals and energy exploration, production, and processing companies, and associated service companies. The QRC works on behalf of members to ensure Queensland's resources are developed profitably and competitively, in a socially and environmentally sustainable way.

I confirm that the comments in this submission are in addition to comments and submissions previously made by the QRC in respect of Aurizon Network's 2014 Draft Access Undertaking.

The QRC confirms this submission may be made public.

Thank you for your consideration of our submission. Please contact Andrew Barger Director, Infrastructure and Economics on 3316 2502 or andrewb@qrc.org.au for further information on this matter.

Yours sincerely

Michael Roche
Chief Executive
