Local Government Regulation 2012 (section 140)

NOTICE OF INTENTION TO SELL LAND

This notice is given by Gladstone Regional Council, and relates to properties described below.

Background

This notice is given because rates or charges levied by the Council on the below properties are at least 3 years overdue or default judgment has been granted by the Magistrates Court on vacant or commercial land. Where rates or charges on a property are more than 3 years overdue, or are more than 1 year and default judgment has been granted by the Magistrates Court on vacant or commercial land the Council may sell the property at public auction and use the proceeds to discharge the overdue rates or charges.

The Council is required to issue a Notice of Intention to Sell Land to the property owner giving details of its decision and giving the owner a final opportunity to pay the overdue rates or charges. If the overdue rates or charges are not paid within 3 months of the notice, the Council will issue a Notice of Sale to the property owner and commence proceedings to sell the property. The sale proceedings will be discontinued if the amount of all overdue rates or charges levied on the land, and all expenses incurred by the Council for the intended sale, are paid to it.

The Council has decided to apply this procedure to the properties described below. This document gives notice of the matters which Council is required to notify under the *Local Government Regulation 2012* to give final opportunity to pay the overdue rates or charges and prevent sale of the land by Council.

Formal Notice

Council hereby notifies as follows: -

- (a) Gladstone Regional Council has decided, by resolution, to sell the land described above because an overdue rate or charge has remained unpaid.
- (b) This document is a notice of intention to sell land under section 140 of the *Local Government Regulation 2012*.
- (c) The date of the Council meeting at which the resolution to sell the land was made under section 140 of the *Local Government Regulation 2012* was 19 February 2019 and the resolution was in the following terms:-
"That Council sell the properties described, in accordance with the provisions of Section 140 of the *Local Government Regulation 2012* for arrears of rates. The properties described are to be sold by way of auction for arrears of rates with an auction reserve and other terms of the process to be set by the Chief Executive Officer having regard to the requirements of the *Local Government Act* and associated regulations.
- (d) Details of all overdue rates or charges and interest accrued on the overdue rates for the land as described below as at 19 February 2019.
