Dear Tania

**Addendum to Aurizon Network's 2015 Draft Amending Access Undertaking**

In March 2015, Aurizon Network submitted a Draft Amending Access Undertaking (DAAU) to extend the term of its 2010 Access Undertaking (2010AU) from 30 June to 30 November 2015.

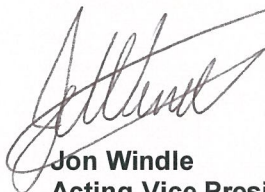

Aurizon Network has identified and proposed some additional amendments to the DAAU. These are outlined below.

- Schedule F, Part B, Clause 5 and 7: adding the 'Wiggins Island Coal Export Terminal' (WICET) to the list of Nominated Unloading Facilities.
- Changing all references to 'Wiggins Island Coal Terminal' to 'Wiggins Island Coal Export Terminal' for consistency.
- Schedule F, Part B, Clause 5 and 7: Updated AT<sub>3</sub> and AT<sub>4</sub> Reference Tariffs and SAR for FY2015 in the Blackwater and Moura systems to incorporate costs associated with the 2013 Flood Review Event.

Aurizon Network has attached revised clean and mark-up versions of the DAAU, which incorporate the amendments listed above. Aurizon Network asks that the QCA consider these updated documents in its assessment of the 2015 DAAU.

Should you have any queries in relation to this draft amending access undertaking, please do not hesitate to contact Michael Bray on (07) 3019 1077 or [michael.bray@aurizon.com.au](mailto:michael.bray@aurizon.com.au).
