Dear Ms Bains

**Minerva 2022–23 adjustment charge submission**

On 25 May 2023, the Queensland Competition Authority approved Aurizon Network's Minerva 2022–23 adjustment charges submission (totalling \$0.97 million). This adjustment returns to access holders the difference between actual access charges paid for the 2022–23 financial year, and the final access charges the QCA approved in February 2023 through the Minerva draft amending access undertaking (the Minerva DAAU).

We will publish this letter on our website for stakeholders' information.

I am happy to discuss any questions you may have on this or any other matters. Should your staff have any specific queries, please direct them in the first instance to [pag.arao-arao@qca.org.au](mailto:pag.arao-arao@qca.org.au).

Yours sincerely
