Aurizon Network – Submission of updates to Schedule F and Schedule K

22 June 2023

Dear Ann,

Aurizon Network welcomes the Queensland Competition Authority's (**QCA**) decisions to approve:

- › the Reset Schedule F Preliminary Values (**Preliminary Values**); and
- › the Electric energy charge (**EC**) for FY2024.

In accordance with the May 2023 decision notice on the Reset Schedule F Preliminary Values, Aurizon Network submits the 2017 Access Undertaking (**UT5**), which has been updated to reflect:

- › an amended Schedule K to include forecast maximum allowable revenue for the period of 1 July 2023 to 30 June 2027; and
- › an amended Schedule F to include the associated Allowable Revenues and Reference Tariffs.

Considering the QCA's decision to approve an updated EC Tariff for FY2024,¹ Aurizon Network has also incorporated this value within the amended UT5.

Should you have any queries in relation to this submission, please do not hesitate to contact Michael Bray: michael.bray@aurizon.com.au

Yours sincerely,
